Fleet Assistance Program (FAP) = Program where a Marine or group of Marines are sent to another unit to assist, usually a month or so. Requests for FAP Marines come from the base command units who typically need extra bodies each month to help pick up trash around the base, assist the chow hall (like Yum), or some other menial task. Or, they'll help similar units in other bases, such as Linda helping another motor pool up north. Marines sent on a FAP are "tapped."

The "Beer Goggles" / "Deployment Goggles" effect = if you get too drunk, lonely or desperate... over time, the opposite gender starts to look beautiful/handsome. Happens to both males and females. Be careful (>_<)

LCpl = Lance Corporal (E-3)

Cpl = Corporal (E-4)

SSgt = Staff Sergeant (E-6)

GySgt = Gunnery Sergeant (E-7)
